

NEW CONTACT LENS FITS: CONSULTATION FEES

STANDARD NEW FITTING

A new contact lens fitting involves:

1. A comprehensive vision examination
2. Fitting the contact lenses on your eye. For most soft lens fits, complimentary trial lenses are included.
3. Training on lens care, insertion and removal.
4. A follow up consultation at 1-2 weeks.

\$149 + EYE EXAM FEE

COMPLEX NEW FITTING

A complex new contact lens fitting involves:

1. A comprehensive vision examination.
2. Fitting the contact lenses on your eye. For most soft lens fits, complimentary trial lenses are included.
3. Training on lens care, insertion and removal.
4. Up to four follow up consultations.

\$249 + EYE EXAM FEE

ADDITIONAL APPOINTMENTS

We may need to make various adjustments until we reach the best solution for you.

Any additional consultations are \$40 per appointment.

\$40.00

CORNEAL TOPOGRAPHY

In some cases, we take a computerised digital map of your eye. This helps us find the best lens fit for you.

\$50.00
